

# SHOES

- D Our clogging students dance in white clogging shoes or white tap shoes with clogging taps.
- D Our Irish students may dance in either clogging, tap or Irish shoes. For performances, Irish students will need white clogging shoes.
- D Clogging, tap or Irish shoes must be worn in class and at rehearsals. Tennis shoes will not be permitted after September.
- D We encourage purchasing used shoes for growing feet; however, shoes are expected to look new/clean for performances. White shoe polish can be purchased at Walmart.

## SHOE SWAP SALE

We will participate in a used shoe sale during the first month of class.

If you have shoes to sell, write your name and price desired on the bottom of the shoes and bring them to the studio for our shoe swap. Students may purchase used shoes. Transactions can be exchanged through the All American Clogger Venmo account.

## NEW SHOE ORDERS

Students need to individually order new clogging shoes if needed.

### TIPS:

Order shoes with taps.

Order white shoes.
